Set-up times begin as early as 7:00am with spaces on a first come first serve basis. All vendors must be completely set-up by 10:45am, with the gates opening at 12:00pm. Very little shade is available at the lakeside location and it can become hot and also windy. The ground is not very level. Your assigned space is approximately 12' x 12' and you must provide your own tables, chairs and covering, such as portable canopy. What type of shade covering will you provide?
